- **IMPROVED Filter Design**
Upgraded double-thick filter eliminates dust and debris from entering fan motor
- **No Recoil**
- **Fuel Cell Technology**
- **Includes Two Batteries**

- **Faster Than Any Other Tool**
- **No Special License Required!**
- **IMPROVED Steel Cage** Heavy duty steel cage eliminates bending due to excess shock, wear and tear
- **NEW Bumper** Wear resistant polyurethane bumper is guaranteed for the life of the tool

- **Protective Carry Case**
- **IMPROVED Latch** Design of latch ensures true pin alignment when firing
- **Narrow Nose Shoots Hat-Channel**

2- Step Fuel Cells
Powers Fuel Cells work in both Powers® and Paslode® gas framing nailers

When you are firing thousands of shots a day, a .453 kilos difference in tool weight is considerable. If you are firing overhead, you'll appreciate the perfect balance and lower recoil of the Trak-It tool. Powers makes the infrequent pin-jam a breeze by putting an easy-access latch on the nose that can be opened instantly. No more need to take apart the tool with a jam! The easy-glide pin track can accommodate multiple pin lengths.

FASTENING SYSTEM

• **IMPROVED Fuel Cell Technology**
Advanced formulation increases energy for better performance and functions down to -12°C!

• **IMPROVED Piston** New longer lasting, state-of-the-art piston design made from high strength tempered steel

• **IMPROVED Trigger Design**
Ergonomic design reduces operator fatigue

• **Super Hard Track with Easy Pin Glide**

Up to 5700 shots before recharging

We feature the newest technology in nickel hydride batteries. Our battery, which can re-charge in one hour, fires as many as 5700 shots and the click-on system prevents wear and tear on the contacts. Two batteries are included free in every kit to guarantee a full, productive day of firing.

Steel to steel

Powers keeps you moving on the jobsite with this technologically advanced fastening system for optimum efficiency and less operator fatigue. In developing this tool, Powers listened to you and your ever-increasing demand for speed. The result is the revolutionary New Trak-It Tool that redefines speed and efficiency with a 42 pin magazine and lightweight body. No other gas fastening tool works better, faster or lasts longer.

- Shoot metal track or lath to concrete, block, brick and steel
- Safe and easy to use
- No licensing required
- Lubricating fuel works down to 12°C
- Nose of tool fits in narrow channel
- Lightweight design great for overhead use
- No extra accessories required for shooting lath
- 30,000 to 50,000 shots before cleaning is necessary depending on jobsite conditions
- 1 year warranty on parts, and all wear items

WARRANTY & LIMITATIONS

Powers warrants that new Trak-It gas fastening tools, parts and accessories will be free from defects in material and workmanship for the period shown below, after the date of delivery to the original user.

ONE YEAR UNLIMITED WARRANTY - A one-year warranty will apply to all parts, including all wear items, less battery and charger.

6 MONTH UNLIMITED WARRANTY - A six-month warranty applies to both the battery and charger. This warranty will be void in the case of mishandling or operator abuse.

WARRANTY STATEMENT - Powers sole liability hereunder will be to replace any part or accessory which proves to be defective within the specified time period. Any replacement part or accessory provided in accordance with this warranty will carry a warranty for the balance of the period of warranty applicable to the part it replaces. This warranty is void as to any tool which has been subjected to misuse, abuse, accidental or intentional damage, used with fasteners, fuel, battery, or battery chargers not meeting Powers Fasteners specification, size, or

quality, improperly maintained, repaired with other than genuine Trak-It replacement parts, damaged in transit or handling, or which, in POWERS FASTENERS opinion, has been altered or repaired in a way that affects or detracts from the performance of the tool.

POWERS FASTENERS MAKES NO WARRANTY, EXPRESSED OR IMPLIED, RELATING TO MERCHANTABILITY, FITNESS, OR OTHERWISE, EXCEPT AS STATED ABOVE, and Powers liability AS STATED ABOVE AND ASSUMED ABOVE is in lieu of all other warranties arising out of, or in connection with, the use and performance of the tool, except to the extent otherwise provided or by applicable law. POWERS SHALL IN NO EVENT BE LIABLE FOR ANY DIRECT, INDIRECT, OR CONSEQUENTIAL DAMAGES, INCLUDING, BUT NOT LIMITED TO, DAMAGES WHICH MAY ARISE FROM LOSS OF ANTICIPATED PROFITS OR PRODUCTION SPOILAGE OF MATERIALS, INCREASED COST OF OPERATIONS, OR OTHERWISE. Powers reserves the right to change specifications, equipment, or designs at any time without notice and without incurring obligation.
