2nd August 2013

To all our loyal and valued customers.

We are announcing a small price increase. As you are aware our last increase was in 2008 and we had an actual price reduction in 2011. We have endeavoured to keep costs static, however this time we need to make a small adjustment to your price.

As of the 15th September 2013, we are increasing our price by 5% across the board.

I know you will understand that we would not be taking this action unless it was absolutely necessary.

Yours Sincerely,
