RE: PRICE INCREASE NOTIFICATION

Dear Valued Customer,

Please be advised that Airco Fasteners will be increasing prices on both the Airco and Senco ranges effective from 1st July, 2014.

Due to the continued escalation of raw material, manufacturing costs, freight, distribution and increasing overhead expenditure a pricing review of the Airco and Senco product ranges has become necessary.

During our review, we have been careful to minimise the impact on your business and ensure that you remain competitive by keeping this increase to an absolute minimum.

Prices on select Airco and Senco tools and fasteners will rise by 4.8% effective 1st July, 2014.

We thank you for your business.

Yours faithfully,

AIRCO FASTENERS PTY LTD
